- **Local visibility:** 15 local answers positively recommended it.
- **Competitors:** In the same local sample, The Breakers Palm Beach appeared in 11 of 15 answers, Four Seasons Resort Palm Beach appeared in 10 of 15 answers and The Brazilian Court Hotel appeared in 2 of 15 answers.
- **Official links:** The supplied property website had a captured narrative/source link in 14 of 18 completed answers; this does not establish which sources the models used.
- **Website review:** Direct website inspection covered 10 of 10 sampled pages; findings apply to that sample.
- **Opportunity:** Eau earns explicit #1 recommendations in ChatGPT's luxury, attractions, romance, dining and wellness answers, plus Gemini's numbered luxury and attractions recommendations. Spa, oceanfront setting and dining are established strengths. ChatGPT also frames premium total costs and limited walkable nightlife as tradeoffs, while correctly acknowledging no standard resort fee.
- **Facts to review:** ChatGPT labels eaupalmbeach.com as official, and Google AI Mode's hotel card routes there rather than eauresortandspa.com. The alternate domain's ownership and destination content remain unverified. Captured ChatGPT cards use both resort names at the same address with a 4.5 rating; Google consistently selects /g/1tfkgcd1, a 5-star hotel rated 4.6. These differences do not establish separate profiles.
- **Priorities:** Positive recommendations cover every completed local topic; maintain this positioning. Verify domain control and final destinations for the homepage, /eau-spa and listing URL; align managed links with the approved reservation journey and test each route end to end. Observed recommendations include hotel dining (ChatGPT, #1) and location and attractions (ChatGPT, #1).

Findings and actions

1 Verify the alternate-domain reservation and spa routes

Issue: ChatGPT labels eaupalmbeach.com as official, and Google AI Mode's hotel card routes there rather than eauresortandspa.com. The alternate domain's ownership and destination content remain unverified. Captured ChatGPT cards use both resort names at the same address with a 4.5 rating; Google consistently selects /g/1tfkgcd1, a 5-star hotel rated 4.6. These differences do not establish separate profiles.

Recommended action

Verify domain control and final destinations for the homepage, /eau-spa and listing URL; align managed links with the approved reservation journey and test each route end to end.

2 Correct the all-rooms ocean-view claim

Issue: Google AI Mode says every room has a balcony with direct or partial Atlantic views. The official resort page allows ocean, pool or garden views, and the inspected Presidential Suite page explicitly describes Resort View rooms overlooking gardens and grounds. The ocean-view claim overstates the room-category offering.

Priority: Medium · Owner: Rooms marketing and revenue management

Evidence

- **Google AI Mode · Property recognition - Question: What can you tell me about Eau Palm Beach Resort & Spa in Manalapan, FL? - Captured heading: Private Balconies:: Private Balconies:** Every room opens to a private balcony with direct or partial Atlantic Ocean views.
- **Official source: eauresortandspa.com:** Each guestroom gives way to a private balcony with views of the ocean, pool, or verdant gardens.

- **Official source:** eauresortandspa.com: Resort View Double & King Rooms Inspired comfort and calm, each featuring a private balcony with views across the resort's gardens and grounds.

Recommended action

Review room-category summaries and distribution copy for explicit view distinctions; verify future property-recognition answers distinguish Resort View, Ocean View and Ocean Front categories.

3 Resolve the Polpo dining association

Issue: Google AI Mode includes Polpo Palm Beach in Eau's current dining offering in both recognition and luxury-hotel answers. The inspected official dining directory instead names Nobu, Angle, Breeze, Stir, Savor and Oceana. Polpo's current status is not established by the retained official evidence; the answer-to-directory mismatch warrants clarification.

Priority: Medium · Owner: Food and beverage marketing

Evidence

- **Google AI Mode · Property recognition - Question: What can you tell me about Eau Palm Beach Resort & Spa in Manalapan, FL? - Captured heading: Angle & Polpo Palm Beach:: Angle & Polpo Palm Beach:** Upscale fine-dining and Mediterranean-inspired coastal fare.
- **Google AI Mode · Luxury hotels - Question: What are the best luxury hotels and resorts in Manalapan, FL? - Captured heading: Dining:: Dining:** Features a permanent, oceanfront outpost of **Nobu** , alongside casual oceanfront dining at **Breeze Ocean Kitchen** and Italian-inspired fare at **Polpo Palm Beach**.
- **Official source: eauresortandspa.com:** Stir Cocktails, music, and late-night gatherings. A lively setting for evening drinks, live music, and casual fare, ideal for pre-dinner cocktails or late-night gatherings. View more Savor Light, nourishing dining at the spa. Located within Eau Spa, Savor offers fresh salads, bowls, and wellness-focused cuisine, ideal for a light lunch or post-treatment refresh. View more Oceana Coffee, pastries, light bites, and house-made ice cream.
- **Official source: eauresortandspa.com:** Breeze Ocean Kitchen (1) Restaurants & Bars Angle (2) Restaurants & Bars Nobu (3) Restaurants & Bars Stir (4) Restaurants & Bars Oceana (5) Restaurants & Bars Savor (6) Restaurants & Bars Tranquility Pool Bar (7) Restaurants & Bars

Recommended action

Confirm Polpo's current status with food and beverage leadership; update existing dining and partner descriptions accordingly, then check whether recognition answers reproduce the approved lineup.

4 Align Breeze's evening-service descriptions

Issue: Gemini describes Breeze as suitable for casual dinners, matching the official dining directory's "relaxed dinner service." Breeze's own page instead publishes lunch until 5:30pm and Sunset Bites from 5:30-7pm. The retained pages leave the scope of evening dining unclear rather than establishing that Gemini invented dinner availability.

Priority: Medium · Owner: Food and beverage operations and web content

Evidence

- **Gemini · Hotel dining - Question: Which luxury hotels in Manalapan, FL have the best on-site dining experiences? - Captured heading: The Experience::** It has a buzzy, sun-soaked atmosphere perfect for relaxed lunches or casual dinners.

- **Official source:** eauresortandspa.com: Breeze Ocean Kitchen Lunch, and a casual dinner by the ocean. An oceanfront restaurant in Palm Beach, open throughout the day for lunch and relaxed dinner service.
- **Official source:** eauresortandspa.com: Hours: Open Daily Lunch: 11am-5:30pm Sunset Bites: 5:30-7pm

Recommended action

Confirm whether evening service is dinner or Sunset Bites; synchronize the dining directory, venue page and menus, then verify matching service labels and hours.

5 Validate beach-condition and activity-inclusion claims

Issue: Gemini's recognition answer promises a "seaweed-free" private beach and complimentary non-motorized water sports. The inspected official material establishes private sand, water activities and watercraft rentals, but not those guarantees. These claims remain unsupported in this sample, not verified operational errors.

Priority: Medium · Owner: Resort communications and recreation operations

Evidence

- **Gemini · Property recognition - Question: What can you tell me about Eau Palm Beach Resort & Spa in Manalapan, FL? - Captured heading: Pools & Beach::** Guests have direct access to a quiet, seaweed-free private beach
- **Gemini · Property recognition - Question: What can you tell me about Eau Palm Beach Resort & Spa in Manalapan, FL? - Captured heading: Recreation::** complimentary non-motorized water sports (like kayaking and paddleboarding)
- **Official source:** eauresortandspa.com: Pools & Beach Two oceanfront pools and a private stretch of sand, the tides lapping at your feet.
- **Official source:** eauresortandspa.com: "type":"Service","name":"Watercraft Rentals"

Recommended action

Review existing beach, water-sports and Daily Benefits pages against operating policies; clarify conditions and included versus paid activities, and test recognition answers for unsupported guarantees.

6 Maintain first-choice positioning with precise value messaging

Issue: Eau earns explicit #1 recommendations in ChatGPT's luxury, attractions, romance, dining and wellness answers, plus Gemini's numbered luxury and attractions recommendations. Spa, oceanfront setting and dining are established strengths. ChatGPT also frames premium total costs and limited walkable nightlife as tradeoffs, while correctly acknowledging no standard resort fee.

Priority: Opportunity · Owner: Brand marketing and digital content

Evidence

- **ChatGPT · Luxury hotels - Question: What are the best luxury hotels and resorts in Manalapan, FL? - Captured heading: 1. Eau Resort & Spa - Best overall in Manalapan: ### 1. Eau Resort & Spa - Best overall in Manalapan**

- **ChatGPT · Property recognition - Question: What can you tell me about Eau Palm Beach Resort & Spa in Manalapan, FL? - Captured heading: What I'd consider before booking:** Room rates, restaurant bills, spa treatments, taxes, and valet parking can make the total considerably higher than the advertised nightly rate.
- **ChatGPT · Property recognition - Question: What can you tell me about Eau Palm Beach Resort & Spa in Manalapan, FL? - Captured heading: My overall take:** if you want nightlife and lots of restaurants within walking distance, another location may suit you better.
- **ChatGPT · Property recognition - Question: What can you tell me about Eau Palm Beach Resort & Spa in Manalapan, FL? - Captured heading: What I'd consider before booking:** Its published FAQ says there is no standard resort fee, although individual experiences and services may carry extra charges.
