Report 7bab1400-e306-415c-8dfd-08dc66810af2 | Report layout v61

Executive overview

LondonHouse Chicago was recognized by name in 3 of 3 completed direct answers in this run, and named in 5 of 15 completed local recommendation answers. Recognition by name coexists with limited visibility in the local questions tested.

- **Local visibility:** 5 local answers positively recommended it. It was absent from the completed answers for hotel dining and spa and wellness.
- **Competitors:** In the same local sample, The Peninsula Chicago appeared in 13 of 15 answers, The Langham, Chicago appeared in 12 of 15 answers and Waldorf Astoria Chicago appeared in 10 of 15 answers.
- **Official links:** The supplied property website had a captured narrative/source link in 3 of 18 completed answers; this does not establish which sources the models used.
- **Website review:** Direct website inspection covered 10 of 10 sampled pages; findings apply to that sample.
- **Opportunity:** ChatGPT omits LondonHouse from luxury, attraction-access and romantic lists; Google AI Mode also omits it from general luxury recommendations. Gemini recommends it for those topics, including explicit fourth place for romance. Existing location and couples-spa pages support the fit, making this uneven discovery rather than absent positioning content.
- **Facts to review:** Google AI Mode correctly recognizes LondonHouse but describes LH on 21 as the second-floor lobby bar. Official content places LH on 21 on floor 21 and identifies Bridges as the second-floor venue. This is a specific venue-identity error, not confusion about the hotel itself.
- **Priorities:** Standardize venue names and floor numbers across dining summaries and partner listings; verify that subsequent property answers distinguish LH on 21 from Bridges. Observed recommendations include romantic getaways (Gemini, #4) and location and attractions (Gemini / Google AI Mode).

Findings and actions

1 Separate LH on 21 from Bridges Lobby Bar

Issue: Google AI Mode correctly recognizes LondonHouse but describes LH on 21 as the second-floor lobby bar. Official content places LH on 21 on floor 21 and identifies Bridges as the second-floor venue. This is a specific venue-identity error, not confusion about the hotel itself.

Priority: High · Owner: Marketing content and Food & Beverage leadership

Evidence

- **Google AI Mode · Property recognition - Question: What can you tell me about LondonHouse Chicago in Chicago, IL? - Captured heading: Dining & Lounges::** Includes LH Rooftop, LH on 21 (the second-floor lobby bar and restaurant), and private event spaces nestled right up to the building's historic cupola.
- **Official source: londonhousechicago.com:** At LH ON 21, Savor the flavors of re-imagined American fare and custom cocktails at the indoor bar located on our 21st Floor
- **Official source: londonhousechicago.com:** Bridges lobby bar located on the 2nd Floor.

Recommended action

Standardize venue names and floor numbers across dining summaries and partner listings; verify that subsequent property answers distinguish LH on 21 from Bridges.

2 Align valet pricing and spa location across published channels

Issue: ChatGPT qualifies its \$85 valet figure as Hilton-listed; LondonHouse publishes \$80, while the retained Hilton excerpt lists \$85. Separately, Hilton labels the spa "Off-site," whereas LondonHouse locates it inside the hotel on the fourth floor. These are unresolved published discrepancies, not established AI fabrications.

Priority: High · Owner: Hotel operations, revenue management and Hilton content liaison

Evidence

- **ChatGPT · Property recognition - Question: What can you tell me about LondonHouse Chicago in Chicago, IL? - Captured heading: 4. Amenities and practical details: Parking:** Valet parking is available; Hilton currently lists it at \$85, although rates can change.
- **Official source: londonhousechicago.com:** Overnight valet parking is \$80.
- **Retrieved public source:** Valet parking: \$85.00
- **Retrieved public source:** ### Spa - Off-site
- **Official source: londonhousechicago.com:** Located inside the unparalleled London House Chicago, on the fourth floor, our luxurious spa is a haven for couples seeking a respite from the bustling urban life.

Recommended action

Confirm current valet pricing and spa location with operations; reconcile LondonHouse and Hilton content, then verify both published descriptions and the next property answer.

3 Translate rooftop recognition into hotel-dining discovery

Issue: LondonHouse is absent from the dining recommendations in ChatGPT, Gemini and Google AI Mode. Google shows a LondonHouse source link, but no substantive recommendation. Competitors receive restaurant-led descriptions despite LondonHouse's published LH Rooftop dining program and 2024 North America's Best Rooftop Restaurant recognition.

Priority: High · Owner: Director of Sales & Marketing, Food & Beverage and PR

Evidence

- **ChatGPT · Hotel dining - Question: Which luxury hotels in Chicago, IL have the best on-site dining experiences? - Captured heading: 1. The Peninsula Chicago: ## 1.** The Peninsula Chicago Best overall dining variety · Magnificent Mile This is my top all-around choice if you want a luxurious hotel stay with several genuinely different dining experiences.
- **Gemini · Hotel dining - Question: Which luxury hotels in Chicago, IL have the best on-site dining experiences? - Captured heading: 5. Trump International Hotel & Tower Chicago (River North): ### 5.** Trump International Hotel & Tower Chicago (River North) The Restaurant: Terrace 16*

Recommended action

Review existing dining and award pages; connect dated award evidence, cuisine, venue names and reservations in hotel-level summaries. Retest dining questions for substantive LondonHouse inclusion.

4 Correct cross-domain canonicals on core identity pages

Issue: The inspected homepage and Our Story HTML declare canonicals on frontend.warrenbarrlincolnshire.com rather than londonhousechicago.com. Both pages contain LondonHouse identity content. This is a controllable cross-domain canonical conflict; the inspection does not establish its effect on indexing or AI recommendations.

Priority: High · Owner: Web development and SEO

Evidence

- **Official source: londonhousechicago.com:** The transformation of this architecturally stunning property created a 452 room high-design, luxury lifestyle hotel called LondonHouse.

Recommended action

Verify the intended production canonicals, correct the template, and re-fetch both pages to confirm self-referencing LondonHouse URLs without cross-domain values.

5 Reconcile the structured address with the published hotel address

Issue: The shared LocalBusiness markup publishes 5 East Wacker Drive, while the location page and official fact sheet publish 85 East Wacker Drive. Captured subject cards also use 85, so this is an official markup discrepancy, not an observed AI address error. The 360 North Michigan architectural address has a separate historic-building context.

Priority: High · Owner: Web development and local SEO

Evidence

- **Official source: londonhousechicago.com:** "type":"LocalBusiness", "name":"LondonHouse Chicago", "address":{"@type":"PostalAddress", "streetAddress":"5 East Wacker Drive At North Michigan Avenue"
- **Official source: londonhousechicago.com:** 85 East Wacker Drive At North Michigan Avenue Chicago IL 60601
- **Official source: londonhousechicago.com:** 8 5 E A S T W A C K E R D R I V E A T N O R T H M I C H I G A N A V E N U E
- **Google AI Mode · Location and attractions card:** LondonHouse Chicago, Curio Collection by Hilton · 4-star hotel · 85 E Wacker Dr, Chicago, IL 60601
- **Official source: londonhousechicago.com:** LondonHouse Chicago synchronizes the classical architecture of 360 North Michigan Avenue with a modernist 22 story all glass tower addition

Recommended action

Verify the hotel's address variants, correct shared markup to 85 East Wacker Drive, and validate sampled pages. Consider Hotel-specific markup while preserving the historic-building context.

6 Surface existing spa and wellness-room differentiation

Issue: None of the wellness answers recommends LondonHouse. The answers emphasize competing spas and pools, while LondonHouse already publishes LH Spa services, couples treatments and Hydrow/Peloton wellness rooms with Therabody. The opportunity is treatment-led and in-room wellness positioning, not an unsupported claim of equivalent pool or sauna facilities.

Priority: Medium · Owner: Marketing, LH Spa and rooms revenue team

Evidence

Recommended action

Review existing spa and wellness-room coverage; cross-link treatments, room equipment and the officially referred Windy City Massage booking route. Retest for accurate treatment-led inclusion.

7 Broaden discovery beyond recognized river views and rooftop appeal

Issue: ChatGPT omits LondonHouse from luxury, attraction-access and romantic lists; Google AI Mode also omits it from general luxury recommendations. Gemini recommends it for those topics, including explicit fourth place for romance. Existing location and couples-spa pages support the fit, making this uneven discovery rather than absent positioning content.

Priority: Medium · Owner: Director of Sales & Marketing and digital PR

Evidence

- **Official source:** londonhousechicago.com: Art Institute of Chicago : Home to many masterpieces and exhibits, this museum is just a short 15-minute walk away.
- **Official source:** londonhousechicago.com: Rekindle Romance - LondonHouse Chicago Couples Massages

Recommended action

Review existing location, couples-spa and luxury summaries; prioritize attraction access and romantic wellness in distribution and PR. Retest the omitted topics while preserving accurate Gemini recognition.

8 Remove stale dates from room-booking destinations

Issue: The rooms page's published BOOK NOW destinations include fixed arrival and departure dates of August 18-19, 2022. Hilton is an officially referred booking destination, but these dated parameters merit review alongside current wellness-room merchandising. No booking failure or lost conversion was established.

Priority: Medium · Owner: E-commerce, revenue management and web development

Evidence

- **Official website:** Destination:
<https://www.hilton.com/en/book/reservation/rooms/?ctyhocn=CHILHQQ&arrivalDate=2022-08-18&departureDate=2022-08-19&room1NumAdults=1>; Linked from: <https://londonhousechicago.com/rooms/>; Label: BOOK NOW;
- **Official source: londonhousechicago.com:** KING HYDROW WELLNESS ROOM WITH THERABODY The King Hydrow Wellness Room incorporates comfort and functionality with a Hydrow Rower and more to give yourself the care you deserve. BOOK NOW
