

Rosewood Mayakoba

AI Visibility Report | 10/25/2026, 1:49:46 PM ET

Report cdda0ba6-31e1-4b6b-8e2b-776ebe87febd | Report layout v61

Executive overview

Rosewood Mayakoba was recognized by name in 3 of 3 completed direct answers in this run, and named in 13 of 15 completed local recommendation answers.

- **Local visibility:** 13 local answers positively recommended it.
- **Competitors:** In the same local sample, Banyan Tree Mayakoba appeared in 13 of 15 answers, Grand Velas Riviera Maya appeared in 11 of 15 answers and Viceroy Riviera Maya appeared in 9 of 15 answers.
- **Official links:** The supplied property website had a captured narrative/source link in 8 of 18 completed answers; this does not establish which sources the models used. Separately, 2 answers included a subject card with a captured official-site destination. Card links are excluded from the narrative/source count.
- **Website review:** Direct website inspection covered 10 of 10 sampled pages; findings apply to that sample.
- **Opportunity:** Google AI Mode omits Rosewood from the beachfront and romantic-getaway answers, despite explicit official support for both topics. Viceroy and Banyan Tree receive substantive recommendations. ChatGPT's explicit #1 recommendations for Rosewood in both topics are strengths to maintain, not evidence of uniform visibility across systems.
- **Facts to review:** The accommodation policy offers a Full American Plan at USD190 plus 21% tax; its linked 2025 PDF lists adult FAP at USD230 per person per day plus 16% VAT. The PDF carries 2025-2026 blackout dates and change qualifiers. Current applicability is unresolved; ChatGPT captures this PDF while discussing non-all-inclusive positioning.
- **Priorities:** Confirm operating status with F&B; synchronize the overview, venue page and reservation messaging. Verify that every Agave Azul entry displays the same current availability. Observed recommendations include hotel dining (ChatGPT, #1) and luxury hotels (ChatGPT, #1).

Verified property information

Detail	Official information
Property	Rosewood Mayakoba
Property type	Hotel
Location	Playa del Carmen
Addresses and roles	Property: Ctra. Federal Cancún-Playa del Carmen Km 298, Solidaridad, Q. Roo, CP 77710, MX
Search market (questions)	Playa del Carmen, Mexico
Property website reviewed	https://www.rosewoodhotels.com/en/mayakoba-riviera-maya

Rosewood Mayakoba was named in 13 of 15 completed local answers.

18 completed answers; 0 unavailable

Direct recognition

Named when asked about the property

Local appearances

Named without the property in the question

Official website links

Captured narrative/source links; cards separate*

Rosewood Mayakoba in local answers

ChatGPT **5 of 5**

Gemini **5 of 5**

Google AI Mode **3 of 5**

Local recommendation results

13 positive recommendations across the 15 completed local answers.

Other properties named most often

Banyan Tree Mayakoba **13 of 15**

Grand Velas Riviera Maya **11 of 15**

Viceroy Riviera Maya **9 of 15**

La Casa de la Playa **6 of 15**

Palmaïa, The House of AïA **6 of 15**

One count per property per answer, including passing mentions. Counts show this run only, not market share or recommendation rank.

*Captured narrative/source links only (card destinations counted separately): ChatGPT 5 of 6; Gemini 0 of 6; Google AI Mode 3 of 6. Recognition and appearance counts do not establish factual accuracy.

Visibility in the answers

Local question	ChatGPT	Gemini	Google AI Mode
Luxury hotels	Named (#1)	Named (#5)	Named
Beachfront vacations	Named (#1)	Named (#1)	Not named
Romantic getaways	Named (#1)	Named	Not named
Hotel dining	Named (#1)	Named (#3)	Named (#2)
Spa and wellness	Named (#1)	Named (#5)	Named

Parenthesized # values are explicit positions within individual answers, not an overall ranking.

Findings and actions

1 Agave Azul recommendations do not reflect its published closure

Issue: ChatGPT's dining answer recommends Agave Azul as a "Don't miss" experience, while its inspected official venue page says "Temporarily Closed." The dining overview still promotes the venue with a reservation link, leaving availability unclear across the discovery and inquiry journey.

Priority: High · Owner: Food & Beverage Marketing and Web Content

Evidence

- **ChatGPT · Hotel dining - Question: Which luxury hotels in Playa del Carmen, Mexico have the best on-site dining experiences? - Captured heading: 1. Rosewood Mayakoba:** Don't miss: Agave Azul for Asian-influenced seafood, La Ceiba Garden & Kitchen for Mayan-inspired communal dining, and Zapote Bar for Yucatán-inspired cocktails.
- **Official source: [rosewoodhotels.com](https://www.rosewoodhotels.com):** HOURS Temporarily Closed
- **Official source: [rosewoodhotels.com](https://www.rosewoodhotels.com):** Agave Azul Asian-inspired cuisine with Baja flavors Where the East meets the West, explore the rich culinary heritage of Baja California, where the region's celebrated seafood is infused with Asian flair and spices. RESERVE DETAILS

Recommended action

Confirm operating status with F&B; synchronize the overview, venue page and reservation messaging. Verify that every Agave Azul entry displays the same current availability.

2 Beachfront and romance discovery is uneven across answer systems

Issue: Google AI Mode omits Rosewood from the beachfront and romantic-getaway answers, despite explicit official support for both topics. Viceroy and Banyan Tree receive substantive recommendations. ChatGPT's explicit #1 recommendations for Rosewood in both topics are strengths to maintain, not evidence of uniform visibility across systems.

Priority: High · Owner: Digital Marketing and Brand Content

Evidence

- **Google AI Mode · Beachfront vacations - Question: Which luxury hotels and resorts in Playa del Carmen, Mexico would you recommend for a beachfront vacation? - Captured heading: Grand Velas Riviera Maya:** Grand Velas Riviera Maya , Viceroy Riviera Maya , Hotel Riu Palace Riviera Maya , and Playacar Palace stand out as the top luxury beachfront resorts in Playa del Carmen, Mexico.
- **Google AI Mode · Romantic getaways - Question: Which luxury hotels in Playa del Carmen, Mexico would you recommend for a romantic getaway? - Captured heading: Why it's romantic::** Banyan Tree Mayakoba The Vibe: Asian-inspired serenity within a gated eco-resort community. **Why it's romantic:** Tucked into the mangroves a short drive from central Playa del Carmen, every spacious villa features its own private pool and outdoor jet pool. The resort offers romantic private boat dining down the canals, floating breakfast setups, and renowned holistic spa treatments.
- **Official source: [rosewoodhotels.com](https://www.rosewoodhotels.com):** BEACHFRONT SUITES Escape to a luxury hideaway featuring pristine white sand beaches, sparkling turquoise sea, and unobstructed sunset views-located directly on the sand only steps from the ocean.
- **Official source: [rosewoodhotels.com](https://www.rosewoodhotels.com):** Private Dining Experience the epitome of luxury with our exclusive private dining options, aboard a boat or on the beach.

- **ChatGPT · Beachfront vacations - Question: Which luxury hotels and resorts in Playa del Carmen, Mexico would you recommend for a beachfront vacation? - Captured heading: 1. Rosewood Mayakoba: ## 1.**
Rosewood Mayakoba Best overall luxury
- **ChatGPT · Romantic getaways - Question: Which luxury hotels in Playa del Carmen, Mexico would you recommend for a romantic getaway? - Captured heading: 1. Rosewood Mayakoba: ## 1.** Rosewood Mayakoba Best overall for couples

Recommended action

Review existing beachfront, romance and private-dining content for clear Playa del Carmen associations and inquiry links; refresh distribution and assess whether subsequent answers include those documented experiences.

3 Airport-distance messaging needs a consistent basis

Issue: Gemini places the resort about 42 miles south of Cancún International Airport; the inspected official location page publishes 28 miles. Google AI Mode gives 25.5 miles without a road-distance qualifier. The official location page also labels the airport "CAN," while the accommodation policy uses "CUN," creating an additional first-party inconsistency.

Priority: Medium · Owner: Web Content and Concierge Communications

Evidence

- **Gemini · Property recognition - Question: What can you tell me about Rosewood Mayakoba in Playa del Carmen, Mexico? - Captured heading: Rosewood Mayakoba:** about 42 miles south of the Cancun International Airport
- **Google AI Mode · Property recognition - Question: What can you tell me about Rosewood Mayakoba in Playa del Carmen, Mexico? - Captured heading: Rosewood Mayakoba:** about 25.5 miles south of Cancún International Airport.
- **Official source: [rosewoodhotels.com](https://www.rosewoodhotels.com):** Cancun International Airport (CAN): 28 miles Cancun International Airport is approximately 30-40 minutes away by car.
- **Official source: [rosewoodhotels.com](https://www.rosewoodhotels.com):** Complimentary roundtrip transfer from/to Cancun's International Airport (CUN) in one (1) luxury vehicle

Recommended action

Confirm airport identifier, road distance and transfer-time basis with concierge; align location content and guest communications, then check that updated descriptions retain the same units and qualifiers.

4 Casa del Lago's daypart identities are being blended

Issue: Gemini describes Casa del Lago's breakfast and dinner as contemporary regional Mexican dining; Google AI Mode calls it Italian-Mexican fusion. The inspected venue page explicitly separates Central Mexican breakfast from authentic Italian dinner. This blurs a distinctive evening proposition within otherwise positive dining recommendations.

Priority: Medium · Owner: Food & Beverage Marketing

Evidence

- **Gemini · Hotel dining - Question: Which luxury hotels in Playa del Carmen, Mexico have the best on-site dining experiences? - Captured heading: Casa del Lago:: Casa del Lago:** Signature Mexican dining with panoramic lagoon views, focusing on contemporary regional breakfast and dinner offerings.

- **Google AI Mode · Hotel dining - Question: Which luxury hotels in Playa del Carmen, Mexico have the best on-site dining experiences? - Captured heading: Standout Dining:: Casa del Lago** offers exquisite contemporary Italian-Mexican fusion overlooking the main infinity pool and lagoon.
- **Official source: [rosewoodhotels.com](https://www.rosewoodhotels.com):** Casa del Lago celebrates Central Mexico's breakfast traditions with classic chilaquiles and huevos rancheros, alongside an extensive continental breakfast with local fruit, cheeses, pastries and more. At night, the restaurant offers a menu of elevated Italian cuisine.
- **Official source: [rosewoodhotels.com](https://www.rosewoodhotels.com):** In the evening, Casa del Lago transforms into an elegant dining experience featuring crisp linens, soft candlelight, and a menu of authentic Italian fare.

Recommended action

Align overview copy, menus and partner briefs around Mexican breakfast and Italian dinner; verify that venue summaries and future dining answers preserve that daypart distinction.

5 A cross-resort dining link points to the wrong entity

Issue: Google AI Mode's direct answer links "Banyan Tree" in its cross-resort dining passage to Wikipedia's /wiki/Banyan rather than a hotel destination. This is a distinct link-association error, not Rosewood identity confusion. The same answer correctly provides Rosewood's official website elsewhere.

Priority: Medium · Owner: Digital Marketing and Guest Communications

Evidence

- **Google AI Mode · Property recognition - Question: What can you tell me about Rosewood Mayakoba in Playa del Carmen, Mexico? - Captured heading: Complex Access:: Complex Access:** Guests also have signing privileges and access to restaurants across neighboring Mayakoba properties (including Fairmont, Andaz, and [Banyan Tree](#))
- **Google AI Mode · Property recognition - Question: What can you tell me about Rosewood Mayakoba in Playa del Carmen, Mexico? - Captured heading: Family & Romance:: [Rosewood Mayakoba Official Website](#)**

Recommended action

Publish clear, named cross-resort dining destinations and eligibility wording in existing guest information; verify subject and partner links separately when reviewing subsequent answers.

6 Linked meal-plan information has different prices and tax bases

Issue: The accommodation policy offers a Full American Plan at USD190 plus 21% tax; its linked 2025 PDF lists adult FAP at USD230 per person per day plus 16% VAT. The PDF carries 2025-2026 blackout dates and change qualifiers. Current applicability is unresolved; ChatGPT captures this PDF while discussing non-all-inclusive positioning.

Priority: Medium · Owner: Revenue Management, Reservations and Web Content

Evidence

- **Official source: [rosewoodhotels.com](https://www.rosewoodhotels.com):** A full American Plan (breakfast, lunch, and dinner) is available at USD190 (subject to 21% tax; beverages and gratuities not included).
- **Official source: [rosewoodhotels.com](https://www.rosewoodhotels.com):** Official PDF page 1: 2025 Meal Plan Options M A P (Modified American Plan) Breakfast & Dinner M A P - B (Modified American Plan B) Lunch & Dinner F A P (Full American Plan) Breakfast, Lunch & Dinner Adults (ages 12 and older) \$150.00 usd \$180.00 usd \$230.00 usd
- **Official source: [rosewoodhotels.com](https://www.rosewoodhotels.com):** Meal Plan rates are per person, per day, in US Dollars subject to 16% VAT Tax.

- **Official source:** [rosewoodhotels.com](https://www.rosewoodhotels.com): Blackout dates: December 19, 2025-January 2, 2026.
- **ChatGPT · Property recognition - Question:** What can you tell me about Rosewood Mayakoba in Playa del Carmen, Mexico? - **Captured heading:** It is ultra-luxury, not a conventional all-inclusive resort. Standard room rates generally cover the accommodation rather than all meals and drinks. Food, cocktails, spa treatments, and excursions can add substantially to the bill. **Check ex:** It is ultra-luxury, not a conventional all-inclusive resort. Standard room rates generally cover the accommodation rather than all meals and drinks.
- **ChatGPT · Property recognition link - Question:** What can you tell me about Rosewood Mayakoba in Playa del Carmen, Mexico? - **Captured heading:** It is ultra-luxury, not a conventional all-inclusive resort. Standard room rates generally cover the accommodation rather than all meals and drinks. Food, cocktails, spa treatments, and excursions can add substantially to the bill. **Check ex:** <https://www.rosewoodhotels.com/content/dam/rosewoodhotels/property/mayakoba-riviera-maya/en/documents/overview/MealPlan-Mayakoba.pdf>

Recommended action

Reservations should confirm current plan pricing, tax basis and effective dates; replace or date-label the PDF and align the HTML policy. Verify both destinations show matching current terms.

7 Pet-policy documents give incompatible allowance rules

Issue: The linked pet-policy PDF contains both "1 dog per suite" with a 10-pound maximum and permission for up to two cats or dogs per accommodation. The HTML policy repeats the two-pet allowance without that weight limit. This is an unresolved official-policy conflict, not an observed AI factual error.

Priority: Medium · Owner: Guest Services and Web Content

Evidence

- **Official source:** [rosewoodhotels.com](https://www.rosewoodhotels.com): RESTRICTIONS 1 dog per suite The dog should be 10 pounds or 4.5 Kg maximum
- **Official source:** [rosewoodhotels.com](https://www.rosewoodhotels.com): Rosewood Mayakoba welcomes cats and dogs, allowing up to two pets per accommodation.
- **Official source:** [rosewoodhotels.com](https://www.rosewoodhotels.com): Pet Policy Rosewood Mayakoba welcomes cats and dogs, allowing up to two pets per accommodation.

Recommended action

Guest Services should approve one current allowance and any category-specific restrictions; update the linked PDF and HTML together, then verify count, species and weight rules agree.

8 Extend wellness recognition beyond the private-island spa

Issue: ChatGPT explicitly ranks Rosewood #1 for luxury spa stays, while Gemini ranks it #5 and reserves its closing choices for competitors. The inspected wellness page already supports immersive multi-day journeys, breathwork and sound experiences. These existing strengths offer a specific positioning opportunity beyond the spa-island description already recognized.

Priority: Opportunity · Owner: Wellness Marketing and Digital Marketing

Evidence

- **ChatGPT · Spa and wellness - Question:** Which luxury hotels in Playa del Carmen, Mexico would you recommend for a spa and wellness stay? - **Captured heading:** 1. Rosewood Mayakoba: ## 1. Rosewood Mayakoba Best overall luxury spa experience

- **Gemini · Spa and wellness - Question: Which luxury hotels in Playa del Carmen, Mexico would you recommend for a spa and wellness stay? - Captured heading: 5. Rosewood Mayakoba (Mayakoba Resort Complex): ### 5. Rosewood Mayakoba (Mayakoba Resort Complex)**
- **Gemini · Spa and wellness - Question: Which luxury hotels in Playa del Carmen, Mexico would you recommend for a spa and wellness stay? - Captured heading: For Dedicated Wellness & Mind-Body Programs:: For Dedicated Wellness & Mind-Body Programs: Choose Palmaia - The House of AïA.**
- **Official source: [rosewoodhotels.com](https://www.rosewoodhotels.com):** Or honor and restore your indomitable spirit and body through an immersive, multi-day journey complete with deep rest in a serene Wellness Suite.
- **Official source: [rosewoodhotels.com](https://www.rosewoodhotels.com):** Sacred Breath: The Art of Inner Cleansing A guided breathwork experience designed to release accumulated tension, clear emotional residue, and restore inner balance through conscious breathing and somatic awareness.
- **Official source: [rosewoodhotels.com](https://www.rosewoodhotels.com):** Resonance: Sound Journey for Deep Alignment An immersive sound experience using ancestral and contemporary instruments to support nervous system regulation, emotional integration, and deep rest.

Recommended action

Review existing wellness content and campaign briefs to foreground multi-day journeys, breathwork and sound programming alongside spa treatments; verify future wellness summaries reflect these supported distinctions.

Scope and method

This is one collected observation per question and answer system. Full answers, page checks, source excerpts and collection details are in the accompanying evidence PDF.

Technical website overview

Check	Status	Result / exception
Page access	Pass	10 of 10 sampled pages inspected.
Index / noindex	Pass	No noindex restriction detected on 10 inspected pages.
Follow / nofollow	Pass	No nofollow restriction detected on 10 inspected pages.
Title tags	Pass	Present and distinct on 10 of 10 inspected pages.
Meta descriptions	Review	Not detected in inspected page HTML: /en/mayakoba-riviera-maya/overview/location
Structured data / schema	Present	10 of 10 inspected pages contain markup. JSON-LD syntax errors: 0.
Canonical URLs	Pass	Same-site canonical with matching page path present on 10 inspected pages; preferred URL intent was not independently established.
Search crawler rules	Pass	robots.txt retrieved (HTTP 200). Homepage rules: Googlebot: Allowed; Bingbot: Allowed; OAI-SearchBot: Allowed
llms.txt	Review	HTTP 403
Sitemaps	Present	2 sitemap files retrieved. Page and image destinations checked separately; off-site image hosting alone is not a defect. Entry capture reached its limit; remaining entries were not checked.

Sampled pages only. Crawl permission does not establish indexing; schema syntax does not verify property facts.

Official links by surface

Narrative/source links: ChatGPT 5 of 6; Gemini 0 of 6; Google AI Mode 3 of 6. Card destinations are counted separately.

Answer system	Narrative / source links	Subject card destinations
ChatGPT	5 of 6	0 of 6
Gemini	0 of 6	0 of 6
Google AI Mode	3 of 6	2 of 6

A captured card URL is a route shown with an answer, not a verified inquiry journey. Displayed domains without URLs, prose citations and inspected inquiry pages are distinct evidence. External broker or brand destinations are not automatically lost demand.

Where property-related links lead

Each row pairs a captured citation with the passage containing it. The quotation is an AI statement, not a verified claim from the linked website.

6 returned sources have no captured passage connecting them to a specific claim. Their URLs are retained with the corresponding answers in the evidence.

45 additional destinations concern comparisons or have unconfirmed property association; listed in the evidence.
