Report f13bb25b-1f71-45f5-9b53-02908b6a92b2 | Report layout v61

Executive overview

Shutters on the Beach was recognized by name in 3 of 3 completed direct answers in this run, and named in 13 of 15 completed local recommendation answers.

- **Local visibility:** 13 local answers positively recommended it.
- **Competitors:** In the same local sample, Hotel Casa del Mar appeared in 15 of 15 answers, Regent Santa Monica Beach appeared in 12 of 15 answers and Oceana Santa Monica, LXR Hotels & Resorts appeared in 11 of 15 answers.
- **Official links:** The supplied property website had a captured narrative/source link in 9 of 18 completed answers; this does not establish which sources the models used. Separately, 3 answers included a subject card with a captured official-site destination. Card links are excluded from the narrative/source count.
- **Website review:** Direct website inspection covered 10 of 10 sampled pages; findings apply to that sample.
- **Opportunity:** ChatGPT explicitly ranks Shutters first for luxury, beachfront vacations and romance; Gemini also places it first for beachfront vacations and romance. These endorsements match the official direct-beach-access and Cape Cod positioning. ChatGPT's direct answer nevertheless frames premium pricing and additional charges as a value trade-off rather than disputing the hotel's quality.
- **Priorities:** Standardize the 1 Pico Resy destination across dining communications and partner listings; verify that each reservation CTA reaches the named venue and assess the destination in a subsequent answer check. Observed recommendations include beachfront vacations (ChatGPT, #1) and luxury hotels (ChatGPT, #1).

Findings and actions

1 Align the dining recommendation with the published reservation route

Issue: ChatGPT's dining answer recommends Shutters but sends its "Explore dining reservations" link to the generic exploretock.com homepage. The inspected official dining page instead refers to the property-specific 1 Pico route on Resy. This is a reservation-routing mismatch, not evidence that Tock is unauthorized or that bookings were lost.

Priority: High · Owner: Food and beverage marketing / Digital team

Evidence

- **ChatGPT · Hotel dining link - Question: Which luxury hotels in Santa Monica, CA have the best on-site dining experiences?:** Explore dining reservations <https://www.exploretock.com/>
- **Official website:** Destination: <https://resy.com/cities/los-angeles-ca/venues/1-pico>; Linked from: <https://www.shuttersonthebeach.com/dining/>; Label: 1 Pico;

Recommended action

Standardize the 1 Pico Resy destination across dining communications and partner listings; verify that each reservation CTA reaches the named venue and assess the destination in a subsequent answer check.

2 Review the development-style hostname appearing in Gemini

Issue: Gemini's property-recognition answer cites shuttersonthebeach-dev.azds.com/hotel-directory for hotel services, spa and dining. The development-style hostname is a captured subject source, but its ownership, current content and intended public role were not inspected. Production content is available on shuttersonthebeach.com.

Priority: Medium · Owner: Web team / Digital agency

Evidence

- **Gemini · Property recognition link - Question: What can you tell me about Shutters on the Beach in Santa Monica, CA?:** Hotel Directory - Santa Monica | Shutters on the Beach <https://shuttersonthebeach-dev.azds.com/hotel-directory>
- **Official source: shuttersonthebeach.com:** Contact (310) 458-0030 Reservations: (866) 527-6612 reservations@shuttersonthebeach.com

Recommended action

Confirm hostname ownership and deployment purpose; inspect the cited directory, then apply appropriate production redirects or staging access controls. Verify that public service links resolve to current production content.

3 Strengthen discovery of the complete on-site dining offer

Issue: Google AI Mode's dining answer omits Shutters while detailing Regent, Santa Monica Proper, Casa del Mar and Huntley. This is a relevant discovery gap: the inspected official page documents three on-site dining experiences, while ChatGPT explicitly recommends Shutters first and Gemini places it second. Existing dining content is substantial, not absent.

Priority: Medium · Owner: Food and beverage marketing / PR

Evidence

- **Google AI Mode · Hotel dining - Question: Which luxury hotels in Santa Monica, CA have the best on-site dining experiences? - Captured heading: Regent Santa Monica Beach: Regent Santa Monica Beach| Orla| Coastal Mediterranean / Seafood| Michael Mina celebrity-chef concept Santa Monica Proper Hotel| Calabra| Mediterranean & California| Rooftop pool lounge & chef-led farmers market tours Hotel Casa del Mar| Terrazza / The Conservatory| Coastal Italian / California| Jazz Age oceanfront villa with live music The Huntley Hotel| The Penthouse| New American / Seafood| 18th-floor 360-degree panoramic rooftop views**
- **Official source: shuttersonthebeach.com:** Shutters on the Beach offers three distinct dining experiences, each celebrating fresh, coastal California cuisine.
- **ChatGPT · Hotel dining - Question: Which luxury hotels in Santa Monica, CA have the best on-site dining experiences? - Captured heading: Shutters on the Beach for the strongest all-around combination of food, oceanfront setting, and romantic atmosphere.: 1. Shutters on the Beach for the strongest all-around combination of food, oceanfront setting, and romantic atmosphere.**
- **Gemini · Hotel dining - Question: Which luxury hotels in Santa Monica, CA have the best on-site dining experiences? - Captured heading: 2. Shutters on the Beach: ### 2. Shutters on the Beach**

Recommended action

Review existing dining pages and culinary PR distribution around all three venues, Southern Italian cuisine and oceanfront dining; align hotel-restaurant references in partner listings and check for inclusion in future dining answers.

4

Surface the broader wellness offer without abandoning coastal relaxation

Issue: Google AI Mode omits Shutters from its wellness shortlist. ChatGPT and Gemini recommend it at positions 3 and 4, emphasizing intimate beachfront relaxation. The official wellness offer is broader: steam rooms, technology-led facials, a 24-hour fitness center and complimentary weekend beach yoga are documented on existing pages.

Priority: Medium · Owner: Spa leadership / Marketing and PR

Evidence

- **Google AI Mode · Spa and wellness - Question: Which luxury hotels in Santa Monica, CA would you recommend for a spa and wellness stay?:** Santa Monica Proper Hotel The Wellness Vibe:* A design-forward, 5-star urban sanctuary known for cutting-edge recovery technology alongside ancient traditions.
- **ChatGPT · Spa and wellness - Question: Which luxury hotels in Santa Monica, CA would you recommend for a spa and wellness stay? - Captured heading: 3. Shutters on the Beach:** Best for: Romantic getaways, oceanfront relaxation, and traditional spa indulgence without a strong emphasis on high-tech recovery.
- **Official source: shuttersonthebeach.com:** The spa is also equipped with steam rooms.
- **Official source: shuttersonthebeach.com:** Perfect Duo Facial A perfect pairing, our Esthetician will customize the facial with choice of two technologies: HydraFacial, Oxygen Infusion, or LED LightStim.
- **Official source: shuttersonthebeach.com:** The Fitness Center is open 24 hours with a valid room key.
- **Official source: shuttersonthebeach.com:** Weekend beach yoga is complimentary for hotel guests. Private or group yoga classes can be arranged at an additional charge.

Recommended action

Review spa and fitness page summaries and wellness partner briefs to foreground verified treatments, steam rooms and yoga terms. Preserve the relaxation positioning; assess whether future answers recognize these specific strengths.

5 Reconcile Coast's happy-hour days across published sources

Issue: The published llms.txt entry for /dining/coast/ states happy hour is Tuesday-Thursday, 3-6pm. The inspected /dining/coast/ page states Monday-Thursday, 3-6pm, bar only. The unresolved difference concerns the same venue and offer, creating inconsistent first-party guidance for dining discovery.

Priority: Medium · Owner: Food and beverage operations / Web content team

Evidence

- **Official source:** shuttersonthebeach.com: - [Coast Beach Café](#): Casual all-day beachfront dining with happy hour Tuesday-Thursday 3-6pm
- **Official source:** shuttersonthebeach.com: Sunset Hour Monday - Thursday 3:00pm - 6:00pm (Bar Only)

Recommended action

Have Coast operations confirm current days and restrictions; update llms.txt and the venue page together, then verify both sources publish identical hours and bar-only eligibility.

6 Maintain the leading coastal identity and clarify its value

Issue: ChatGPT explicitly ranks Shutters first for luxury, beachfront vacations and romance; Gemini also places it first for beachfront vacations and romance. These endorsements match the official direct-beach-access and Cape Cod positioning. ChatGPT's direct answer nevertheless frames premium pricing and additional charges as a value trade-off rather than disputing the hotel's quality.

Priority: Opportunity · Owner: Brand marketing / PR / Revenue communications

Evidence

- **ChatGPT · Luxury hotels - Question: What are the best luxury hotels and resorts in Santa Monica, CA? - Captured heading: 1. Shutters on the Beach: ## 1. Shutters on the Beach Best overall for classic beachfront luxury Top pick**
- **Gemini · Romantic getaways - Question: Which luxury hotels in Santa Monica, CA would you recommend for a romantic getaway? - Captured heading: 1. For Ultimate Beachfront Romance: Shutters on the Beach : ### 1. For Ultimate Beachfront Romance: Shutters on the Beach**
- **Official source:** shuttersonthebeach.com: Evoking the charm of an exquisite cottage on Cape Cod, this luxury beachfront hotel in Santa Monica offers direct beach access, resort-style amenities, a joyful blend of endless ocean views, chic coastal design
- **ChatGPT · Property recognition - Question: What can you tell me about Shutters on the Beach in Santa Monica, CA? - Captured heading: Location & views:** The main trade-off is value: guests generally pay a premium for the location, ambiance, and service.
- **Official source:** shuttersonthebeach.com: Indulge in a stay featuring a \$200 spa credit for personalized wellness treatments, breakfast for two, and overnight parking.

Recommended action

Maintain direct-beach-access, design and romantic-dining messaging. Review current package and fee explanations with revenue leadership so communications make inclusions explicit; verify continued accuracy of the published offers.
